Steps to change control panel password

Steps to change control panel password

1. Access the Bytehouse control panel: <http://www.bytehouse.co.uk/controlcentre>
2. There you will see a link "Forgot your password", click on it
3. Enter the valid Email address which you have registered with Bytehouse.
4. An authorization code will be sent to the Email account
5. After receiving it you can reset the password.

Unique solution ID: #1098
